A RETREAT FOR THE MIND, BODY AND SPIRIT
On the island of Hawai‘i, at the center of five sacred mountains, there is a sanctuary. One of classic Hawaiian architecture and breathtaking landscapes. An enclave of personal privacy. Here, the six senses are encouraged to indulge themselves in the ways of sports, culture and wellness. It is a retreat that is nourishing to the needs of oneself; a destination that commands the complete attention of the mind, body and spirit. Welcome to The Fairmont Orchid.
Where white sands drift into blue-green lagoons, The Fairmont Orchid invigorates both the body and the spirit. This luxurious 540-room resort will cater to your every whim, inside and outside its walls. Just choose your escape. Conquer a volcano, or a championship golf course. And when you return, nourish your soul with an invigorating massage at the Spa Without Walls, or simply relax and unwind in one of the resort’s renowned restaurants. No matter where you look, you’ll find there’s an unexpected treasure waiting for you.
